About Me

I am a passionate and dedicated undergraduate Computer Science student with practical experience in designing and developing projects from the ground up, including a fully functional blog website. My active involvement in HackMor, where I qualified for the next round, sharpened my problem-solving and teamwork skills. I am highly motivated, eager to learn continuously, and committed to staying updated with modern technologies to thrive in the dynamic field of software development.

Skills

- ☐ **Programming Languages:** C/C++, Python, JavaScript
- ☐ **Web Technologies:** MERN Stack
- ☐ **Concepts:** Basics of DSA (Data Structures & Algorithms), Critical Thinking, Leadership

Experience

Blog Website Development | 2024

- ☐ Designed and developed a blog website from scratch, implementing features for content creation, user interaction, and responsive design.
- ☐ Utilized modern web development technologies to ensure an engaging user experience and optimized performance.

HackMor Participant | 2024

- ☐ Actively participated in HackMor, enhancing problem-solving, teamwork, and coding skills under competitive and time-sensitive conditions.

Education

Bachelor of Technology, Computer Science | 8 CGPA | 2023-2027 *Satyug*

Darshan Institute of Engineering and Technology

Senior Secondary | 79% | 2021-2022 *Modern International Sr. Sec School*

Major Certifications

- ☐ Certification in web development Udemy
- ☐ Certified in python programming language
